

Daytek®

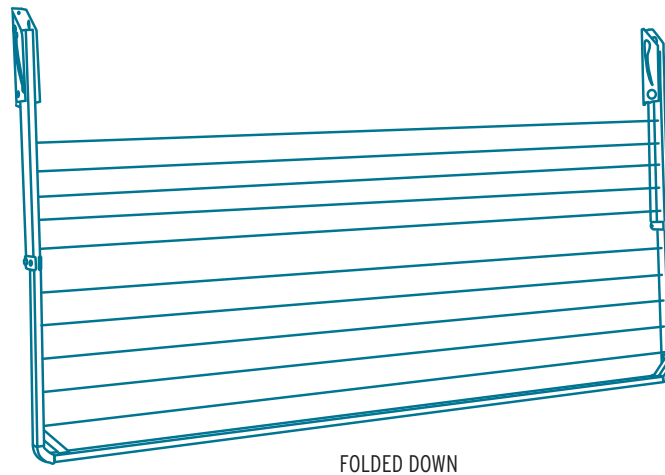

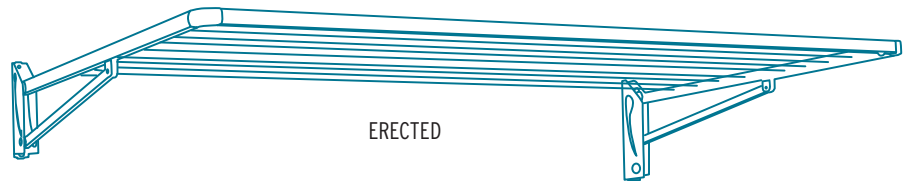

Single Fold Down Clothesline

Our top selling fold down model, offering a stylish yet simple design and great value.

The Single Fold Down range uses a single frame design with a large 22m of hanging space. The frame is 2.24m wide x 1.21m deep which is wide enough to maximise line length and space, yet not be too wide for the majority of applications.

The Single Fold Down is available in a range of colours designed to coordinate with popular roofing and exterior colours.

Wall fixings are not supplied. Suitable for use with Daytek Ground Mount Kit.

Iron Grey	Model No. 9312554405615
