

## Transporter System

Made in Australia from the manufacturers of Daytek Clotheslines this is the perfect transporter system for trade shows, expo & events.

- Customise your Brands' colour & logo for easy identification or choose from our 10 standard powder-coat colours
- Transit from storage area to booth made easy while the lockable\* cage ensures your stock arrives safe, secure and in good condition
- Made from durable and hardwearing galvanised steel
- Comes with 4 x heavy duty 360° swivel wheels of which the front 2 are lockable
- Pallet size cage base designed to suit forklift tyres
- Claim your Transporter as a capital asset and spread the cost over 3 years
- Around 4 weeks lead-time from confirmation of order

### 3 different varieties or customise further to suit your needs
