

Daytek® Outdoor Retractable Clothesline – 4 Line

4 Line Retractable – Sand

The ultimate in space saving outdoor drying without compromising hanging space. With four lines extending out to a maximum of 7 metres the 4 Line Outdoor Retractable Clothesline provides 28 metres of drying space and easily accommodates any sheet size.

Featuring a corrosion resistant long life powder coated steel cabinet, each line has it's own independent spring tensioned

spool for tangle free operation. With less than the single turn of the handle the line locking mechanism tensions and securely locks all lines.

Post Mount Kits are available separately for wall to post and post to post installations.

Standard Colours:
